

### PINOT GRIGIO IGT

Andrea Bocelli loves his white wines, and it shows in their delightfully crisp, complex Pinot Grigio. Grown in the green hills of the Colli Euganei in Veneto, the vines are thick and knotty, averaging about 15 years old, and yielding just enough grapes to make only one bottle of wine per plant. One bottle! With aromas of fresh Meyer lemon, mint, white flowers and sea salt, this wine is zesty, delicious, and made with integrity.
